Attention, Teachers and Piano Students!

Kunkel Bros' edition of CZERNY'S ETUDES DE LA VELOCITE,

with EXPLANATORY NOTES by Franz Bausemer and Charles Kunkel, as to how they should be studied and played, now ready and for sale at all music stores. Send us your address, and we will mail you, free of charge, sample sheets thereof containing the first two studies.

This edition is the best of these valuable studies, and is published, in two books, at \$1.50 each, and not in four, as other editions now before the public, at \$1.00 each for the first three books and \$1.50 for the fourth. This makes our edition cost \$1.50 less than others, aside from the new features introduced, which are of great benefit to the students. Examine it before purchasing any other. The leading teachers and pianists pronounce it the best edited work ever published in the United States.
